FORWARD

This Back to Basic Teaching Aid booklet of additional helps for the Role Model is presented in a separate booklet instead of in the discipleship manual for several reasons.

1. We did not want the answers to the questions found in the "Back to Basics One" book to be available to everyone. People will learn much more by LOOKING UP THE ANSWER in the text instead of turning to the answer sheet and looking it up.
2. We did not want the New Convert to see the lesson plans for fear that he would feel he was part of a program instead of a Little Brother who has a concerned Big Brother who loves him.
3. Back to the Basics One and the manual are available to the general public. Some of the material in this Booklet is for the active worker ONLY. Therefore this booklet is only sold to churches and IS NOT available for general sale.
4. We wanted something to place in the hands of the person which would help and reassure him as he assumes the role of Role Model. Therefore, we present to the Role Model this booklet, along with our sincere love and appreciation with these words...

"People who help protect and train new converts as spiritual role models are the ones who are going to turn many of our churches around and help BRING REVIVAL TO AMERICA.

Yours for Revival,
James Wilkins

BIT OF PHILOSOPHY

PHILOSOPHY OF TEACHING THESE LESSONS

It is important for the Role Model to understand **the philosophy and method of teaching these lessons.**

THE METHOD

Do not grade and correct the lesson as a school teacher would grade a paper. The Teacher should go over the answer in such a way as to enforce and broaden the principles of the lesson. The new convert may understand and give the right answer **WITHOUT UNDERSTANDING THE PRINCIPLE.** In going over the question explain to him the answer so he can understand not only the answer but the principle also. This will greatly aid his ability to learn.

THE PHILOSOPHY

The philosophy of grading the questions is to reinforce the principles of the lesson. Each of the questions is designed to reveal a definite truth which the new convert needs to learn. Help your student **UNDERSTAND THAT POINT.** Help him to look for the principle which **EACH BLANK OR SERIES OF BLANKS REVEAL.** You are not interested in his handwriting... in his grade as to see how smart he is, but you are going over his answers to broaden his knowledge and understanding so he may develop greater faith and maturity. Make this **POINT PERFECTLY CLEAR** to him on the **FIRST VISIT.** Reassure him continually until he feels comfortable around you.

DO NOT TEACH THESE LESSONS

We do not want the role models to go back through the lesson in an effort to teach this material. Instead, one teaches the lesson by reading the questions until he comes to a blank. Pause, and let the new convert give you the answer, then continue reading. Read all five of the questions found in that daily lesson, then **use the lesson plans to reinforce** the principles which are important for the new convert to learn.

These lessons are designed to maximize the person's ability to learn. **If an average person reads an article one time he can only remember 6% of what he read in two weeks.** But if he reads the article for six consecutive days **he can remember 62%** of what he read.

We are striving to get the new convert to read the whole lesson through. Monday he reads the lesson for Monday and fills in the blanks which he needs to learn. Tuesday he reviews the questions and blanks before he does the assignment for Tuesday. If he reviews the prior daily exercise before working the present day's work, then when the Role Model reads and discusses the daily exercise it will be for the sixth time, which generally reinforces the new convert's ability to learn and remember.

DISCIPLER

Discipler, your goal is to teach him **how to do these lessons.** Your goal is not just to teach him Biblical truths, but how to do or live the Biblical truths.

BIT OF STRUCTURE

PASTOR

The Pastor is the top of the structure in every area of service in the local church. Peter commands the Pastor to take the oversight, I Peter 5:2. This is particularly true with his babies. He even has a direct charge from Jesus to "feed my lambs." The Pastor should have direct charge of the new Convert Care Program or he should direct the director.

DIRECTOR

The Director serves directly under the Pastor and over the Division and Squad Leaders depending on the size of the care program. The Director is to interview every potential candidate.

The Director will either recommend the candidate to the Pastor, or council with the Pastor as to how to deal with the candidate.

The Director is to obtain a report from each Role Model through his Division Leader or Squad Leader each week.

The Director is to give the Pastor a written report of each Little Brother's progress each Monday morning. The form for this report is found in the section, "a bit of a sample."

DIVISION LEADER

The Division Leader should be a deacon or a stable, active member of the church who will be over and secure reports from the three Squad Leaders. He will serve as a Role Model and he should have a definite time when he receives the phone report from each of the Squad Leaders. He should write down the reports and at the appointed time call the Director with his report

for the Pastor.

SQUAD LEADER

The Squad Leader is a Role Model who checks on two other Role Models each week. At the set time, the worker calls his Squad Leader and reports on his weekly fellowship session with his new convert. The Squad Leaders then report to the appointed person (Director or Division Leader).

ROLE MODEL

The Role Model is the key to the success of the new convert care program. He is to telephone his Squad Leader each week after his weekly meeting with his Little Brother. These weekly reports are important for two reasons. 1) It keeps the Pastor informed concerning the spiritual growth of his babies. 2) It keeps the channel of communication open which gives the discipler proper direction when a problem arises.

MONTHLY MEETING

There should be at least one monthly meeting of all Role Models in which written reports are turned in and the NEW disciple can be introduced and awards can be presented. This meeting can be used to great advantage by the Pastor if sufficient thought and planning is made in advance.

YOUR SUNDAY SCHOOL STRUCTURE

You may consider working your New Convert Care Program in conjunction with your Sunday School.

1. The Division Leader could be the Sunday School Superintendent or the teacher of the class.
2. The Squad Leader could be your Sunday School teacher or president of the class.

3. The Role Models could be members of the Sunday school class in which the new convert is a member or where he should be attending.
4. In case you do not have others who are in the Class another person would be assigned.

SIMPLICITY REPORT

Please note the simplicity of the report the Role Model is to make to the Squad Leader, which is for the Pastor (Form C). It should be kept near the phone. Any member of the family could take and write down the information which the Big Brother calls in. Name of new convert:

- His Address:
- His Phone Number:
- His Grade:
- The Role Model's Name:
- Any Comments About the Visit:

KEYS TO SUCCESSFUL DISCIPLESHIP

1. **Everything starts with leadership.** The director should be someone who is not the Pastor, but who answers every week (or at the appointed time) to the Pastor.
2. The **director who follows** the principles in this book **will be a good leader.**
3. **Everyone must be accountable.** The leader should inspect the work of his disciples on a regular basis. Remember, the principle is someone must always **watch the "baby."**
4. Accept your new convert as a sacred trust from God. Work on behalf of the Lord and the Pastor! They have set you over a new convert and **you work** as an extension of the Pastor. It is not what **you** want. It is what the Pastor wants, and what is best for the "baby."

A DISCIPLER WHO IS DISCIPLING

If you are ONEdisciplingONE, and your church does not have an organized ONEdisciplingONE program follow the lesson plan carefully for better success.

If you have any questions, please call or e-mail us.

BIT OF A CHARGE TO THE ROLE MODEL INTRODUCTION

Paul charged Timothy in II Tim. 4:1-2. A charge is given to young ministers when they are ordained and sent out to their respective fields of labor. In any important job for the Lord the individual should be made strongly aware of his personal responsibility and seriousness of the job. One of the most important tasks a person could undertake is the one of working in BEHALF OF HIS PASTOR as a role model to a babe in Christ. Therefore, we charge you:

I. YOU ARE DOING AN IMPORTANT JOB

The opportunity you have as an older Christian to a younger believe is one of the most **important** tasks you will ever have. A conscientious mother who loves her child would not allow just anyone to train her child. The Pastor has committed to you the sacred task of feeding, nourishing, developing and caring for one of his lambs.

It has been said, "The highest honor God ever bestowed upon any man is when he places His Holy Word in his hand and calls him TEACHER." I charge you therefore with this sacred task of working in behalf of the Pastor, teaching and helping a young Christian get established. Use the opportunity wisely and well.

II. YOU ARE NOT THE PASTOR

You are an extension of the Pastor... but you are NOT THE PASTOR. Do not try to give advice in areas you are not qualified to advise. Stay within the framework of your lesson!!! Watch for any problem area and when you spot one call your director and get the direction to take from him. Do not assume too much responsibility and liberty -- you are the role model, the Pastor occupies the position as the Spiritual father. **I charge you to be careful at this point.**

III. YOU WILL BE TEMPTED

Paul admonished the elders at Ephesus that some of them would lead astray some of the younger members. Jesus once told Peter, "get thee behind me Satan." The first deacons (Acts 6) were chosen in order to calm the murmuring in the Jerusalem church. The devil will tempt you to use your influence selfishly. Remember, the only people who ever went to Hell bodily were Korah and his followers. This showed God's judgment upon those of authority who used their influence to withstand God's leader and bring division into the Body.

I charge you therefore to be on guard against this temptation and always work for the harmony of the church body and in behalf OF THE PASTOR.

IV. YOU WILL BE REWARDED

If physical children are an heritage from the Lord and a father will be rewarded for the deeds of his children then how much more is this true in the Spiritual realm.

"Not because I desire a gift: but I desire fruit that may abound to your account." Phil. 4:17

ONEdisciplingONE WILL MULTIPLY DRAMATICALLY

It is God's method which will lead to a spiritual explosion. If the Lord tarries His coming for five years, then a good discipler should have spiritual children, grandchildren and great-grandchildren all over the Earth.

BIT OF LESSON PLANS

LESSON ONE WELCOME INTO THE FAMILY

- I. The Main Purpose of the Lesson is:
 - A. IF there is a problem in the church family, stay with the family and let the Pastor solve it.
 - B. Show him he will have problems with lost friends and family members and how he can reach them.

 - 1. From observing the lifestyle of others. **Some people are very hurtful** to a new convert, and their lifestyle teaches him **destructive habits**. You must protect him by being a close companion and friend (role model), who manifests a good spirit and attitude.

- IX. Remember most converts live in a pagan atmosphere
 - 1. Their whole life revolves around television, sports, and things which **feed the flesh and weaken the spiritual man**. You will need wisdom and God's grace to develop him.

ONEdisciplingONE

*ONE is not a discipler until he has
discipled ONE*

ONEdisciplingONE is a biblical concept which Jesus taught the apostles. It worked so successful that within a period of 40-50 years the first church had won, discipled and started other local churches through which **the Gospel circled the earth and was preached to every creature.**

It took the devil about 200 years to stop the churches growth. He did this by splitting the church membership into two groups; One group was called **the laity** and composed of about 97-98% of the membership. The second group called **the clergy** was made up of the remaining members. The responsibility for discipling **was maneuvered from the whole church** membership into the smaller group of preachers.

ONEdisciplingONE is the method Jesus taught and it was successful then and it will work today, if God's people will work it.

I. THE NEED FOR CHANGE IN OUR COUNTRY IS SO GREAT

In order for **each person to evaluate himself**, please consider the following types of religious people.

A. DEFINITION OF TERMS

- 1. A religious person is one who believes in God but is uncertain about eternity and tries to live a moral life.**

2. **A church member is a person who may be attempting** to live up to his church's dogma (doctrine and what is expected of him)
3. **A child of God has been born again** but has failed to embrace the Bible requirements for proper growth.
4. **A Christian is a child of God who is trying to be faithful**, and is living a moral life and has a concern for the eternal welfare of others.
5. **A disciple is a Christian who has surrendered to the will of God**, is trying to imitate Christ by training others

Which of the above categories do you think GOD WOULD PLACE you in if you should stand before him today?

B. DISCLOSING THE NEED FOR CHANGE

1. 2,000,000 Americans are in jails or prisons, which illustrates the lawlessness in America.
2. The many one parent families denotes the need for help in changing this pattern of family life
3. The forsaking of Biblical principles by many young people – 80% leave church within two years after graduation.

C. SOLVING THE NEED

1. The hearts of people **must be changed**
2. **Gripping about conditions** of our country will not change the hearts or **solve the problems** BUT IT WILL ENFORCE UNBELIEF.

3. **Only God can change the hearts** and solve our problems
 4. If each Christian would become part of ***ONE discipling ONE*** it would demonstrate to God the sincerity of our prayers and bring his blessings
 5. Concentrating on personally helping someone would **get our minds off worrying** about problems and back on what we should be doing.
- D. DISCIPLING A PERSON WHILE TEACHING HIM THE BIBLE IS THE BEGINNING POINT IN CHANGE IN A NON-CHRISTIAN SOCIETY.
1. **It is the first command** (make disciples) that Jesus gave to the first church in the great commission.(Matthew 28:19-20) They were to continue the process of discipling unto the uttermost parts of the world and until the end of the age.
 2. It is the procedure followed by **our missionaries as they go to evangelize a non-Christian nation.**
 3. It is the first step in evangelizing a country, **because everyone needs to understand about God**, his will for their lives, **and his great love for them** before they become mature Christians.
 4. If **most members would accept the challenge** to disciple one person it would cause unbelievable growth within a year or two.

- II. THE PROCESS OF DISCIPLING IS SO SIMPLE TO FOLLOW
- A. EVERY CHRISTIAN IS COMMANDED TO DO IT – MATT. 28:20
1. If all are to be teachers or disciplers then discipling, process must be simple.
- B. THE INFORMATION THAT A DISCIPLER NEEDS TO KNOW IN ORDER TO DISCIPLE (DO IT)
1. Pray for God's leadership in selecting someone to disciple.
 2. Read and study – *The Scriptural Goal of Teaching God's Word*
 3. Fill in the blanks in the book *To Circle the Earth Once Again*
 4. Go through the *Milk of the Word* as a disciple and fill in the blanks assigning the grade and making a commitment to do ...
 5. Complete the *How to be a Better Big Brother*
 6. Receive the *Lesson's Plans Book One* and read it
 7. Begin helping a person. One may have to work with three or four people before finding the right person. **Don't become discouraged and quit!**

C. THE PROCEDURE OF DISCIPLING

1. Do your best to live as a Christian in **front of the disciplee**
2. **Help him fill in the names** on the prayer list Explain the procedure of retaining what is studied – **From 6% to 62%**
3. **Show what one has to do** to make an “A” (do the work on a daily basis)
4. On the first visit one begins discipling by reading the question until he comes to the blank. Pause and wait for his answer. After his answer go on to the next blank and pause. Do this with each blank until the question is completed. Go through the same procedure with all of the days questions. After discussing Monday’s questions go on to the rest of the days of the week until you have covered all five of the daily exercises.
5. Stress the faith builder (daily declaration) and the scripture (attempt to memorize)
6. Assign the grade, encouraging people for their effort – Be ready to assist the disciplee in any way that he may need.
7. Get him to make a commitment to learn the lesson so well that he may teach it to someone else.
8. Award the beautiful certificate of completion at the end of the series.

III. THE REWARDS FOR DISCIPLING ARE MANY.

One should disciple because **it is his birthright and responsibility to do so**. But in addition to those reasons it is his privilege which will bring many rewards.

A. REWARDS TO THE DISCIPLE

1. You will (can be) **an encouragement in a discouraging world**. Many people need friends who will be there for them. Please note: the relationship with the person is **more important** than whether or not he completed the lesson.
2. The disciple will learn many more things **from someone who cares** than from any information found in a book.
3. Those in your life who need discipling; (1) Ones Children, (2) Ones parents or relatives, (3) people in the rest home, (4) those who are retired, (5) neighbors, (6) fellow workers or employers. (ask God to direct you to someone)

B. REWARDS TO THE DISCIPLES IN THIS LIFE

1. One will receive the satisfaction of doing a little part in an effort to save America (make it a better place, **one person at a time**)
2. One will receive the natural blessings which comes from God. *It is more blessed to give than to receive*

3. One will establish a relationship or friendship which will last forever. Some disciples become closer than family with their discipler. Family members who are disciplined by a family member **build a David-Jonathan relationship.**

C. REWARDS TO THE DISCIPLIER AT THE JUDGMENT SEAT

1. **The gift of God is eternal life through Jesus Christ our Lord** (Romans 6:23b) but **God has always had a plan to reward** his children for their faithful service.
2. THIS PLAN WAS FIRST STATED IN GENESIS 1:26 – “Let us make man in our image, after our likeness and **let him have dominion (Lordship) over...**
3. IT WAS REAFFIRMED TO THE APOSTLES – When Peter asked Jesus what they were going to be paid for their sacrificial service he promised them positions of kings over the twelve tribes of Israel for 1000 years. (Matthew 19:27-28; Luke 22:29-30)
4. **He promised rewards to all his faithful children** (I Corinthians 3:8; Revelation 22:12)
5. **He emphasized rewards throughout the scripture.** (Matthew 25:21-23; Luke 19:17-19; II Timothy 4:8)

6. **He magnified the promise of reward in his letter to the overcomer** in the seven churches of Asia (Revelation chapter Two and Three)
7. **He renewed his promise of rewards daily** to his obedient children **who prayed the model prayer (day by day)**. “When you pray, say...Thy kingdom come” (Luke 11:1-6)

D. THE REWARDS ARE CONDITIONAL

1. Jesus promised to his children of living in the Big House with authority and a position of honor for 1000 years is based upon their obedience to his will while living their lives.

E. THE REWARDS ARE IMMINENT

1. Israel became a nation on May 15, 1948 which means we are 60 years into the last generation, before the second coming of Christ. (Matt. 24:32-34; Psalms 90:10)

ONE discipling ONE may be the key to unlocking a
great treasure house.

IT IS NEEDED

IT IS SIMPLE

IT IS PROFITABLE TO ALL
